TO PARENTS AND GUARDIANS.

1. Please examine carefully this report each month, sign your name, and return the card by the pupil.

2. In case of dissatisfaction or complaint by pupils, please see the teacher at once. A full knowledge of the facts often saves unpleasant feeling.

3. Teachers are instructed to investigate all cases of absence and tardiness, and to require an excuse from the parent or guardian, in writing or in person. No case of absence, tardiness or dismissal shall be marked as excusable unless it is caused by sickness or by some equally imperative necessity. In case of ten instances of *unexcused* absence or tardiness, or both, in any one term, the offending pupil may be suspended, and re-admitted only by the Board of Trustees.

4. Parents and guardians are cordially invited to visit the school frequently and become acquainted with the teachers and their work. ○
